The Plan

Meeting time: 0700 CDT (0200 GMT) for 60 minutes for as many weeks as there are participants. Note: I may shift it to 0800 CDT (0300 GMT) if that works for more individuals.

Meeting day: Tuesday, Wednesday, or Thursday (to be decided based on responses).

Starting: Soon

Required configuration: PC with Skype (free from skype.com) installed and a compatible microphone (if you wish to ask questions, etc.)

Optional enhancements: A white board add on to Skype (free – I am still deciding on which one to use)

Cost: Donations will always be appreciated but are not required and can be made using PayPal. (I'll make some PayPal buttons that relate to the cost of a cup of coffee and/or a bottle of beer for those of you who might be tempted to donate!).

No shills, please!

There is no ongoing obligation to attend each session.

I'll be glad to do a 'dry run' if you have not used Skype.
